Just in time support to help individuals gain insights, strategies and tools to navigate job loss and transition through interactive group sessions and a robust online portal. Participants will:

- Create effective exit statement and response to “tell me about yourself”
- Analyze accomplishments, skills, strengths and key differentiators
- Clarify goals and career objectives that align with values and interests
- Create a competitive resume and LinkedIn profile
- Develop a personalized marketing roadmap
- Receive training in networking, video interviewing, salary negotiation, effective emails/cover letters, managing recruiters, job posting boards, etc.
- Expand their network by joining the ClearRock Connector, a closed LinkedIn networking group

Individualized support including weekly meetings with a career consultant, interactive group sessions and a robust online portal to gain insights, strategies and tools to navigate job loss and maximize success. Participants will:

- Create an effective exit statement and refine the response to “tell me about yourself”
- Identify key accomplishments, skills, strengths and key differentiators
- Clarify goals and career objectives that align with values and interests
- Receive feedback and assistance to maximize professional brand through key assets such as resume/CV, executive bio and LinkedIn profile
- Develop personalized marketing roadmap
- Learn to expand network and maximize the success of networking meetings
- Prepare for video interviews, salary negotiations, offer selection and onboarding
- Expand their network by joining the ClearRock Connector, a closed LinkedIn networking group

Our most robust, high-touch and customized support to help executives navigate job loss and explore what’s next. Participants will work with a career coach and team of advisors, and have access to a wide range of resources to:

- Clarify communication strategy and prepare exit statement
- Gain insights, strategies, and tools to address the emotional impact of job loss and change
- Deepen self-awareness by leveraging personality assessments and stakeholder feedback (optional)
- Reflect on accomplishments, values and interests; explore options including career continuation, career change, consulting, entrepreneurial ventures, board directorships and/or volunteering
- Strengthen professional brand by creating a powerful resume, executive bio and LinkedIn profile
- Develop personalized marketing plan to support goals
- Expand network and maximize skills to improve outcomes of networking meetings
- Tap into ClearRock networking contacts, including alumni and friends of the firm
- Benefit from a Campaign Review with multiple career consultants
- Leverage support for assimilation/onboarding into next phase of career/life
